

Steel EZ-Out Safety Platform

Safety Every Step of the Way

Introducing the New Bustin Steel Pullout Platform!

**Enhanced design
for increased durability
and rust protection!**

Features of the new Steel POS-400 Pullout Platform:

- All **SQUARE TUBING** design for superior strength and durability.
- All parts are **GALVANIZED** for rust protection. Hardware is stainless steel.
- Entire Pullout Platform is **MODULAR** for easy maintenance.
- Steps pivot on rod which is enclosed inside tubing legs. No pins or loose parts.
- Bustin serrated safety grating on all walking surfaces for maximum slip resistance.
- Pullout Platform rolls away easily using Bustin's track & wheel design.

Ask about our other products: Firm-Grip® Gratings • Industrial Work Platforms • Truck and Trailer Accessories.
