

## Slide-Away™ Ladder

Are you tired of ladders getting damaged? Finding it difficult to safely access truck bodies? Finally, the perfect solution! Bustin's Slide-Away™ Ladder slides out smoothly from its horizontal storage position and flips down into a vertical, locked position.

- Available in 12", 16" and 18" ladder widths
- Available with steel or rust-proof aluminum frame

**Rungs are manufactured featuring Bustin's famous Firm-Grip grating for multi-directional, slip-resistant protection against slips and falls.**

- 9/16" dia. mounting holes are pre-drilled for ease of installation
- Mounting hardware not included
- Weight Capacity: 350 lbs.

Part #	Description	Size	Wt
