

The “Must-Have” Slide-Away™ Step

This retractable step slides out for maximum convenience, storage and safety. Featuring our self-cleaning grating with a serrated leading edge, this step offers superior traction when compared to punched metal products.

- Available in two or three steps for your flatbed, refrigerated or dry cargo trailer
- Choose your option: Weld on or bolt on

Red powder coated for high visibility

- Perfect for rear or side door trailer entry
- Available with optional chain and latch

HB0204

There is no substitute for safety!

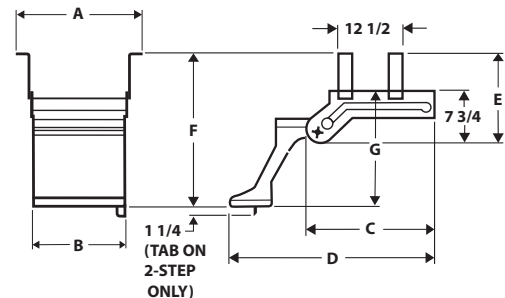

Provides easy access into your van or trailer

6

Helps reduce accidents caused by slips and falls!
